Changes to VET in Schools for 2017

1. Qualifications in Business, Sports and Recreation, Design and Visual Arts, and Information, Digital Media and Technology will not be funded for **metropolitan schools**.
2. TAFE profile funded delivery in these qualifications may only occur where existing commitments were made in 2016 for delivery to Year 12 students in 2017.
3. Students will be limited to one profile-funded qualification for their senior secondary schooling (i.e. year 11 and 12).
4. It is strongly recommended that TAFE profile arrangements be negotiated and managed directly with the school.

TAFE Applications for 2017 are Open

Applications are open for Semester 1, 2017 so here's some useful information from North Metropolitan TAFE to help you to get enrolled for next year.

How to apply

For full-time study, students need to visit [TAFE](#)

[Admissions](#) and complete an online application. Students will then be required to send in their relevant documentation. They will then receive a Letter of Offer which will invite them to come on campus and enrol (in January 2017).

For part-time study, students don't need to apply for a course. They simply come on campus (in January 2017) to enrol in person on a first-come; first-served basis.

For apprenticeships/traineeships, students need to contact the Department of Training and Workforce Development's [Apprenticeship Office](#).

VET STUDENT LOANS BILL 2016

Education Minister Simon Birmingham is working to stop the rorting of the VET Fee Help scheme by some private training providers.

Subject to the passage of legislation, VET Student Loans will commence on 1 January 2017, replacing the current VET FEE-HELP scheme, which will cease on 31 December 2016.

- About 800 courses will no longer be eligible for vocational loans under the new scheme.
- There will be no more brokers giving away laptops in shopping centres if you sign up for a course.
- Search and seize powers are proposed so that some of the money rorted under the scheme can be recouped.

Fact Sheets about the changes can be found at <https://www.education.gov.au/vet-student-loans>
