Texts are purchased by the school and issued on a needs basis. The book hire scheme is much more cost effective for students in lower secondary. Students may also be billed if a book loaned to them is lost or damaged whilst in their care.

Students are expected to purchase texts for Year 11 and 12 courses only. There has been a separate Textbook List included with all of the Contributions and Charges Sheets for students in Years 11 and 12 for 2018.
