### PARENT TEACHER INTERVIEWS

Thank you to all parents and carers who attended on Tuesday evening to discuss their children's progress.

### YEAR 10 COURSE SELECTION INFORMATION NIGHT

We invite parents of prospective 2020 Year 11 students to attend our information night next Monday at 6pm in the school library.

### FEES AND CHARGES

The contribution that parents and carers make through payment of fees and charges is greatly appreciated as they are important in providing a quality education for your children. I strongly encourage you to pay any accounts for outstanding fees and charges that will be sent home shortly.

### ENROLMENTS FOR 2020

We have begun planning our timetable and it is important that we have accurate student enrolment numbers to plan our class structures for next year. It is therefore critical that we are advised of any new enrolments as soon as possible. The Department of Education requires us to estimate our 2020 student numbers by 16 August. Our projected Student Centred Funding for next year will be based on this.

### MY ROBOT

Our Pre-primary –Year 6 students enjoyed a wonderful Musica Viva performance on Wednesday. Tomorrow our Year 3 and Year 4 classes will attend the My Robot performance at Cummins Theatre.

### 9-A-SIDE AFL

Nearly 70 of our secondary students will be representing Merredin College at the AFL carnival at Narembeen on Friday 9 August. Best wishes to all our girls and boys teams.

### NEW IMMUNISATION AND ENROLMENT INFORMATION FOR ALL STUDENTS

With the Public Health Amendment (Immunisation Requirements for Enrolment) Act 2019 and the School Education Regulations 2000 being passed on Friday 19 July, the following changes are effective immediately and relate to new enrolments from Term 3, 2019 and also enrolments being processed for the 2020 school year.

#### No Jab No Play – Kindergarten enrolment

- On enrolment in Kindergarten, a child must now have either:
  - \* an Australian Immunisation Register (AIR) Immunisation History Statement, no more than two months old with a Status of 'up to date'; or

#### Our PBS Values Focus

Each week the College will focus on aspects of our PBS expectations. The information will be provided to students on classroom doors. Parents are encouraged to support the College in promoting these values at home.

The PBS focuses for Week 3, Term 3 (next week) are:

#### PRIMARY

We are CARING in Learning Areas

WE ARE CARING BY BEING ENCOURAGING AND SUPPORTIVE OF EVERYONE

#### SECONDARY

We are CARING in Learning Areas

WE ARE CARING BY UNDERSTANDING AND ACCEPTING OTHERS DIFFERENCES

We are carin**G**, we are Res**pect**ful, we are Res**pons**ible, **We** strive to succeed!

G  
R  
O  
W

- \* an AIR Immunisation History Form, no more than six months old, if the child is on a catch up schedule; or
- \* a valid immunisation certificate issued or declared by the Chief Health Officer.
- where a child does not have an 'up to date' Immunisation History Statement, exemptions because of particular family circumstances may apply. These exemptions are approved by the principal.
- where a child enrolling has a Medicare number available it should be recorded at the time of enrolment.

#### Pre-primary to Year 12 enrolments

- as announced at the start of the year, the immunisation status of all children enrolling in the compulsory years of school (Pre-primary to Year 12) must be recorded or no statement provided – record as 'not up to date' and leave the date and evidence field blank; or
- \* statement provided with a status of 'up to date' – record as 'up to date' and date checked; or
- \* statement provided with a status of 'not up to date' – record as 'not up to date' and date checked.
- new changes require that where a child enrolling in school (K-12) has a Medicare number available it should be recorded at the time of enrolment;
- the immunisation status of all students enrolling at a residential college must now be recorded.

#### NAIDOC WEEK ACTIVITIES

All students and staff across the school will celebrate NAIDOC Week for 2019 in Week 4. ( 12 August to 16 August), participating in a number of activities which have been planned collaboratively with local community members. Parents and community members are invited to attend these events as they occur for their children. Teachers will send out specific invitations for events that are relevant to the students in their class. We look forward to seeing many of our community members joining us in this special week. Please see the attached program of activities for NAIDOC Week

#### YEAR 7/8 VOLLEYBALL SCRATCH MATCH DAY

On Sunday 4 August our Year 7 boys, Year 8 boys and Year 7/8 girls Volleyball teams will be travelling to Perth to challenge Aquinas, Gilmore College and Santa Maria in a day of scratch matches to prepare our players for the up-coming Schools Cup competition. The Schools Cup competition will also see our Year 9-12 teams competing against WA's top Volleyball specialist schools.

#### YEAR 10 COURSE SELECTION INFORMATION NIGHT—MONDAY 5 AUGUST

For all Year 10 parents there will be a parent and student information evening for Year 11 2020 subjects selections in the library from 6-7pm. There will be a presentation of subject requirements, prerequisites, WACE attainment and clarification of the ATAR, VET and now GENERAL pathways. This is a great opportunity to be able to ask questions, gain clarification and understanding of the educational pathway that your child will be setting out on for the next two years.

#### 9 A SIDE FOOTBALL

On Friday 9 August the PE department are taking a large number of students from Year 7-10 to Narembeen for an AFL 9's competition. We wish them well.

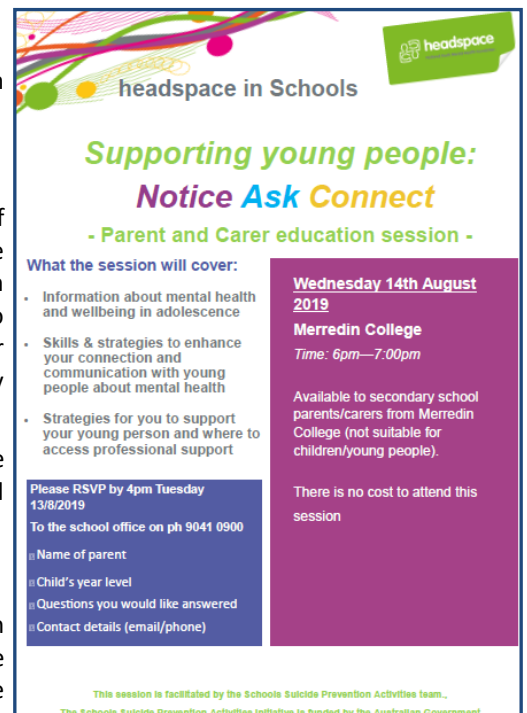

#### REGIONAL LEARNING SPECIALIST (ATAR STUDENTS)

The Regional Learning Specialist (RLS) team was set up this year by the Department of Education to provide additional support for regional ATAR students, particularly those studying through SIDE. A couple of members of the team visited the school early in the year and met with SIDE students. All ATAR students have been given access to online support for the majority of their ATAR subjects. Many of the subjects also offer fortnightly online tutorials and it has been pleasing to see several students regularly participate in these interactive sessions.

This Thursday and Friday a couple of the members of the RSL team will be in the school working with our Year 11 and Year 12 Chemistry students and our Year 11 and Year 12 Mathematics Methods students.

#### HEADSPACE

Last term we advised that headspace will be coming to Merredin College to run sessions for our students in Yr 7, 8, 11 and 12 Let's Talk About It: Mental Health, there will also be a parent/guardian session run in the evening. ## SECONDARY Link Cont'd.....

Week 4 of this term. There will be a parent/guardian session on the same day in the evening 6pm-7pm and parents/guardians are encouraged to attend the evening session and RSVP by calling the College by 4.00pm on Tuesday 13 August.

### STUDENT SIGN OUT PROCEDURES

Unfortunately it is not always appropriate to use the PA to call children to Student Services. We like to minimise the use of the PA as it does interrupt every classroom in the school. It is also preferable to not use the PA at all during examinations and other special events happening in school.

Please be advised of the following process to ensure a quick and efficient student sign out process when collecting your child during the school day.

1. Arrange a time for your child to meet you at Student Services.
2. Send a note with your child so they can show their classroom teacher at the time they are required to leave the class to go to Student Services to sign out.
3. When signing out students will leave their permission note at Student Services and receive a 'Leave Pass'.
4. Students are required to sign back in at Student Services and collect a 'Late Note' to go back to their class.

### ALL STUDENTS—MOBILE PHONE AND DEVICES POLICY

Students must comply with the mobile phone policy

If Students are seen in the possession of a mobile phone or electronic device, they are requested to put the device away. Students shall receive the verbal warning in all classes and circumstances.

**1st Offence:** Student is instructed to hand the device to the teacher. The device is sent to Student Services and is locked in the safe. The student collects the device at the end of the school day

**2nd Offence:** Student is instructed to hand their device to the teacher. The device is sent to Student Services and locked in the safe. Student Services staff will notify parents via telephone. The parent must collect the device from school. A letter will be sent home to inform parents that if the device is required to be handed in again, a suspension may follow.

**3rd Offence:** Student is instructed to hand their device to the teacher. The device is sent to Student Services and is locked in the safe. The student's parents will be notified and the parents will also be sent an 'Intent to Suspend' letter. The parent must collect the device from school.

### Loss of Good Standing

Student will lose their good standing for 2 weeks on their second offence. On the third offence students will lose their good standing for 3 weeks. When the student is suspended after the third offence they will lose Good Standing for 5 weeks in line with the Merredin College Good Standing Policy 8-12.

## PRIMARY ASSEMBLY

Our next assembly will be the 'Merredin's Got Talent Assembly' and will be held on Thursday, 15 August at 9.00am in the primary covered assembly area. We look forward to seeing you there to celebrate our students achievements.

**Got a question about this? Ms Lynne Herbert (Deputy Principal)**

## TWO DOGS SAUSAGE SIZZLE

The Year 6s are fundraising for their Kalgoorlie school camp later this term and will be holding a sausage sizzle at Two Dogs Hardware on Saturday 10 August from 9.00am to 3.00pm. They will be selling Bacon and Egg Burgers (\$3.00) and Sausage Sizzles (\$2.50) so come and grab a bite to eat. Your support is much appreciated.

**Got a question about this? Ms Lynne Herbert (Deputy Principal) on behalf of the Year 6 Camp Fundraising Committee**

## SECONDHAND UNIFORMS

We are getting a bit short of our second hand uniform supplies and are looking for donations from families. If you have items children have outgrown we would welcome them in the primary office.

**Got a question about this? Ms Barbara Smith (Deputy Principal)**

## CANTEEN SPENDING

Please remind your child that the money they bring to school for canteen spending is for their personal use only. We have had a few children purchasing items for friends in recent weeks.

## Go Healthy!

### Colds and Flu

Colds and flu (influenza) are most common in the winter months. They are highly contagious and are spread by coughing, sneezing and touching.

Cold and Flu are two different illnesses caused by different viruses. Colds are caused by 200 different viruses. Symptoms include coughing, fever, sore throat, sneezing, and a blocked or runny nose.

The Flu is caused by a different group of viruses and it is much more severe. Common symptoms include fever, sore throat, tiredness and muscle aches.

Some ways to protect your children and family from colds and flus this winter include:

- Getting the influenza vaccination. Flu viruses circulating in the community continually change, and immunity for the vaccine does not last a long time so it is recommended you get vaccinated each year.
- Eating nutritious foods such as fruit and vegetables to boost their general health.
- Teaching your child how to wash their hands thoroughly and often. We should wash our hands for at least 20 seconds, especially after coughing, sneezing or blowing your nose.
- Teaching your children to sneeze into their elbow instead of their hands.
- Only use tissues once and throw them away after they are used, then wash hands.

Keeping children away from people who are infected, and keep children away home from school if they show symptoms of a cold or flu.

### Quick Tip

Although there is no treatment, getting plenty of rest, drinking plenty of water and eating healthy foods can help your immune system to fight the infection. If your child is not drinking enough fluids, try giving them small sips of water, milk, juice or ice blocks to suck (for older children).

Department of  
Education

Children enrolling in pre-Kindergarten and Kindergarten must be up to date with all the scheduled immunisations for their age to be able to attend school. You will need to show your child's Australian Immunisation Register (AIR) Immunisation History Statement as proof of immunisation.

# IMMUNISATION SUPPORT FOR YOUR CHILD

It is important to keep your child's immunisation status 'up to date' at all times to provide the best protection against serious, life threatening vaccine-preventable diseases.

## GET AN AIR IMMUNISATION HISTORY STATEMENT

You can get a copy of the statement at any time by:

logging into Medicare online via MyGov ([my.gov.au](http://my.gov.au))

using the Medicare Express Plus app

visiting a Medicare or Centrelink office, or

calling the AIR General Enquiries Line on 1800 653 809 to request an AIR Statement to be posted.

## GET YOUR CHILD IMMUNISED
