Message from the Principal.....

WELCOME BACK AND WORDS OF ADVICE

We welcome everyone back to Term 4. With only just over nine weeks left of the 2019 school year, I encourage all students to put in their best effort. Parents/carers must ensure students are here every day and on time. Students need to listen to their teachers and actively engage in class activities. Students who receive assessment tasks must make sure the tasks are completed and submitted to their teachers as required. In this way, students have a greater chance of achieving at their potential. Teachers will begin writing reports in about a month so making a good impression at this time is very important.

YEAR 12 STUDENTS WISHED GOOD LUCK

Our Year 12 students have reached that time of the year when we bid them farewell. General Pathway and VET students completed their schooling at the end of last term. This Thursday 17 October marks the last day of timetabled classes for our Year 12 ATAR students although 'Revision Seminars' are on offer at times provided in this newsletter. This Friday 18 October at 11.00 am, after the Yr 7-12 Assembly at 10.00am the Year 12 students will enjoy a morning tea with staff and be presented with some 'fun' awards. Following this, they will make their way to the College Gym for an Awards Ceremony practice.

The Awards Ceremony will occur on Thursday 24 October at 7.00pm at Cummins Theatre.

We wish our Year 12 students the very best of health and happiness as they approach this new chapter in their lives. ATAR students have a little way to go before they can relax. We hope their ATAR exams go well. Good luck everyone!

STAFF CHANGES

We would like to welcome our new science teacher Mr Pratish who has replaced Mr Hewitt.

We would like to welcome back Mrs Clarke and Ms Celenza. Ms Celenza will be teaching Mr Eggleston classes whilst he is enjoying Long Service Service.

We also welcome Ms Antonioli who is completing a teaching practicum with Mrs Fardell's Year 4/5 class.

Mr Thomas has also left Merredin College. Therefore Mr Gardiner will teach Mr Thomas' 8.1 and 10.1 mathematics classes for the remainder of this term. However for the first two weeks whilst Mr Gardiner is working on a revision program with our Year 12 ATAR students I will be teaching the 8.1 and 10.1 mathematics classes. Also Mr Braganza will take Mr Thomas' Year 11 Mathematics Essentials class until the students leave at the end of week two.

We've all got questions about parenting!

- When is it okay to use screen time as a digital reward?
- What's the best way to approach a conversation about death? Or divorce?
- How can I encourage siblings to get on with one another?
