

MERREDIN COLLEGE

A Wheatbelt Independent Public School

Reporting Update

26 May 2022

Dear parents and carers

As you are aware, COVID-19 continues to impact our school community and has presented us with challenges in managing both student and staff attendance. I am pleased that together, we have been able to make the best of this situation and ensure your child's continued learning.

As we navigate through these challenges, we will need to do some things differently to ensure our focus remains on your child's daily learning program. For this reason, Semester 1 reporting will look different to what we shared with you at the start of the year.

The report will include the A to E grades (or equivalent 5 point scale) for required learning areas. Information regarding your child's attitude, behaviour and effort will continue to be reported. Our school may adjust the extent to which comments are provided. Should you wish for additional information on your child's progress, you will have the opportunity to discuss at a parent/teacher conference.

Thank you for your continued support and encouragement as we work together to provide the best learning opportunities for our students. As we progress, I'll be sure to keep you updated with any new information as the term progresses.

Should you have any questions, please contact the school on 9041 7520 or via Merredin.Col@education.wa.edu.au.

Kind regards

Tracy Pickering
Principal
